

B902

Xseries

Tecnologia Bluetooth®, prestazioni elevate, qualità audio senza compromessi. Sviluppato appositamente per i caschi NOLAN in fibra, il sistema N-Com B902 X è il partner ideale per chi cerca un'esperienza di guida avanzata, connessa e condivisa. B902 X integra molteplici funzioni. Tra le più apprezzate e richieste dai motociclisti: **Audio Multitasking**, che consente di ascoltare più fonti audio contemporaneamente; **Smart Conference**, per la conversazione simultanea in gruppo; **Annunci vocali multilingua**, per facilitare la gestione; **Auto ON/OFF**, per ottimizzare la durata della batteria. Dalle funzionalità top di gamma all'integrazione perfetta con caschi compatibili, B902 X rappresenta l'equilibrio ottimale tra tecnologia e passione per la guida su due ruote.

Bluetooth® technology, high performance, uncompromising audio quality. Developed specifically for NOLAN fiber helmets, the N-Com B902 X system is the ideal partner for those looking for an advanced, connected, and shared driving experience. B902 X integrates multiple functions. Among the most appreciated and requested by motorcyclists: **Audio Multitasking**, which allows you to listen to multiple audio sources simultaneously; **Smart Conference**, for simultaneous group conversation; **Multi-language voice announcements**, to facilitate management; **Auto ON/OFF**, to optimize battery life. From top-of-the-range features to perfect integration with compatible helmets, B902 X represents the optimal balance between technology and passion for two-wheel driving.
